

## **Diego Onorato**

Diego Onorato has over 25 years of experience in the financial sector and is currently Executive Director and Head of Second Level Controls and Data Governance Validation at Intesa Sanpaolo.

He is Adjunct Professor of Risk management and Quantitative Finance at Università del Piemonte Orientale (UPO).

He has held various roles within the Chief Risk Officer area of Intesa Sanpaolo, including Head of Group Internal Validation and Head of Risk Capital and Policies.

Prior to joining Intesa-Sanpaolo in 2012, he was a Senior Manager in the advisory practice of Ernst & Young, responsible for several projects for Italian and European financial institutions in the fields of risk, finance, regulatory and strategic operations.

Diego graduated in Statistics and Economics from the Università Cattolica del Sacro Cuore of Milan with a final grade of 110/110 cum laude.
